

# GT 210

PROTEKT®

## Folding tent with a light frame

Made  
in Poland

- easy and quick to unfold
- roll-up entrance
- zip closure
- mesh window
- weight only 15 kg

The GT 210 is a new folding tent with a lightweight aluminum frame with fiberglass tubes.

It is used to protect against weather conditions when working in the sewer, manholes, and it can also be on duty as a temporary coordinating staff office.
