

AY 100

TOOLHOLDER

PROTEKT[®]

TECHNICAL DATA

Weight:	25 g
Dimension:	108 x 54 x 14 mm
Max Load:	5 kg
Material:	Polyamid, fiberglass, stainless steel
Breaking force:	> 25 kg

DESCRIPTION

AY 100 is a carabiner working as a toolholder, which can be pinned on to the belt or harness belt or safety straps. It simplifies the optimal arrangement of the tools, improving the work comfort. In addition, AY 100 allows to connect a tool cable.

Please note!
AY 100 is not personal protection equipment.
